Since so many of you like this song, we'll keep working on this. I'll bring the tape again tonight for you to listen to. Would be a good idea if you brought your tape players to record it - or we could dub it onto the tapes Ellyn has made of last week's workshop.

Thought you might like a translation (this is not a word by word one):

Dimitur, my dear son  
Come out and see something  
Do you see the ring dance over there?  
There is a boy with every girl  
and by your girl there are two  
both of them young and wild  
-Let them dance mother, let them dance  
Rushka is mine and will be mine  
Her ring is here with me.

DIMITRO, SINO, DIMITRO
