**IZVOR VODA IZVIRALA (becarac)**  
Ripci, Bosnia and Hercegovina

Izvor voda izviralala, javore, javore.  
Izvor voda izviralala, zlato moje.  
Zlatan sanduk iznijela, javore...  
U sanduku lijepa Mara, javore...  
Ko će sanduk izvaditi, javore...  
Taj će Maru poljubiti, Javore...

*A spring water was rising.*

*It brought out a golden coffin.*

*Beautiful Mara is in the coffin.*

*The one who takes the coffin out*

*Will kiss the beautiful Mara.*

*Rubato*

Lowland genre - less whiney voice production, fewer glottals  
voice farther bk in throat - rather throaty, not so front  
as highland
