Enter Process Number, Process Code, or "LO" to Logoff : 1

1. (FUND.R.FAC) ~~Alphabetical Faculty Listing of Faculty~~

Enter **P** to send LPTR print to the laser printer, = **D** to display on screen or **S** to save to a file on the disk

Changes/Corrections to Existing File

1. Entering **P** should send report to laser printer. **P** is the standard in the other screens, change for consistency. Also add **D**, and **S** options. (Make a TOADs process, for O online help and the **D** & **S** options).
2. Change report format, see attached sample.
