A young girl was spading her vineyard
 a young fellow comes up to her
 "Good morning, young girl,
 have you finished spading?"

"Where are you coming from, little Anna?"
 "I'm coming from Ravanica.
 Escort me across the road,
 I don't know the way to Ruma, my home town."

"Where are you coming from, Nikola?"
 "I'm coming from Krušedol.
 I've kissed Krušedol girls,
 the prettiest young things anywhere."
