## Igra Kolo

"The Kolo-dance is being done."

Igra kolo igra kolo na dvadeset i dva.

Ig-ra ko-lo igra kolo na dvadeset i -dva

Igra kolo, igra kolo  
Na dvadeset i dva.

U tom kolo, u tom kolo  
Lijepa Seka igra.

Kakva Seka, kakva Seka  
Medna usta ima.

Da me hoće, da me hoće,  
Poljubiti njima.

Volio be, volio bi,  
Nek carevo blago.

Ljubi Seka, ljubi Seka,  
Koga ti je drago.

Nemoj ljubiti, nemoj ljubiti  
Koga nemaš rado.

The kolo's dancing, the kolo's dancing  
Twenty-two dancers in it.

In the kolo, in the kolo,  
Pretty Seka's dancing:

What sweet lips, what sweet lips,  
Pretty Seka has.

If she'd only, if she'd only  
Kiss me with them.

I would like that, I would like that,  
More than a king's treasure.

Kiss, Seka! Kiss, Seka!  
The one you like the best.

Don't kiss, Seka! Don't kiss, Seka!
