Slovene verses:

Na planincah solnce sije,
Na planincah solnce sije,
Na planincah solnce sije,
Na planincah lušno je.

Gor pojejo drobne ptice,
Gor pojejo drobne ptice,
Gor pojejo drobne ptice,
Na planincah lušno je.

Gor rastejo rožice bele,
Gor rastejo rožice bele,
Gor rastejo rožice bele,
Na planincah lušno je.

English Translation:

In the mountains the sun shines,
In the mountains the sun shines,
In the mountains the sun shines,
In the mountains it is lovely.

Up there the tiny birds sing,
Up there the tiny birds sing,
Up there the tiny birds sing,
In the mountains it is lovely.

Up there grow white flowers,
Up there grow white flowers,
Up there grow white flowers,
In the mountains it is lovely.
