Sarajevo, behara ti tvoga

Sarajevo with your flowering Behar

Sa - ra - je - vo, be - ha - ra ti tvo - ga,
be - ha - ra ti tvo - ga.

Bosnian Verses:

Sarajevo, behara ti tvoga,
Znaš li reći šta za dragog moga?
Otiš'o je već godinu dana,
Ja ga čekam, tužna rasplakana.
Dodji, dragi, milovanje moje,
Te utješi bolno srce moje.
Uzalud je i otac i mati,
Kad me, dragi, tvoj pogled ne prati.

English Translation:

Sarajevo, with your flowering "behar",
Can you tell me news of my loved one?
He left me a year ago,
And I wait for him, sad and grieving.
Come, my sweetheart, come, my love,
And comfort this aching heart of mine.
My father and mother cannot replace,
The lack of your face before me.
