Oh, if I could go to the wedding party, the one where my sweetheart (little lamb) is. All the wedding guests are drunk. Our bride will have a son next year (implication, she is already pregnant). Our bride doesn't know the Očenaša (Our Father prayer) and our Braja (the bridegroom) doesn't know (another prayer). Dear friend, you are a fool - he's fooling around and you want to marry him.

PEVALA JE TICA KOS

Pevala je tica kos
 Ej, jahaj, pevala je tica kos (2x)
 U zelenoj šumici
 Ej...
 Na rastovoj grancici
 Ej, jahaj, na rastovoj grancici
 Ej, pivaj, na rastovoj grancici

A black bird sang
 In the green forest
 On an oak branch
 Ej, sing on an oak branch
