⊗ - should be spoken!

The song introduction to a silent kolo from an island off the Dalmatian coast. The dance itself is performed to the rhythm of the dancers' feet.

1. Mi smo rekle zapjevati ovde,
2. Bilo večer bilo usred podne.
3. Mi smo seke skupa vojovale,
4. A za jednim obe tugovale.
5. Dalmatinci hrabri ste vojnici;
6. Hrabro ste se borili u Lici.

We said we would sing here, be
it night or mid-day. We are
sisters, come as one to mourn.
Dalmatians, you were brave
soldiers; bravely you fought
in Lika
