Za-spa-la e Fi-da le-le Za-spa-la e

Fi-da Vuv rav-na gra-

di-na pod bel gju-l tren-da-fil.

Fida was sleeping
In a luxurious garden
Beside a white, sweet-
smelling rose bush

zaspala e Fida, lele, (2)
vuv ravna gradina
pod bel gju-l trendafil

Ludo pomina, lele,
elno ludo mada,
zale i gerdano (2)

Rosa zaposilo, lele, (2)
trepa, razbudi se,
nema i gerdano

Što da storī Fida, lele,
kak da kaže Fi da
na mama, na tate
de i e gerdano!

A dashing youngman passed by
And took her necklace

leaves this out

What could Fida do?
How could she explain
To her mother & father
What had happened to her necklace
