THE WOLF'S SON WAS GETTING MARRIED

The wolf's son was getting married
To the bear's daughter.Brer Rabbit was the bridegroom's
brother,

Brer Fox was the best man (?).

They organized a big wedding,
They formed a big horo.The beetle played the gajda
The owl beat the tapan.Brer Fox led the horo
Brer Rabbit was doing the dips.What brought a hunter?
The wolf pulled away from the horoThe beetle dropped the gajda
And the rabbit darted toward the
forest.
